

## CPD-08-05 Modern Slavery Policy

LandScope Engineering is committed to the principles of the Modern Slavery Act 2015 and the abolition of modern slavery and human trafficking. As an equal-opportunities employer, LandScope is committed to creating and ensuring a non-discriminatory and respectful working environment for its staff. LandScope wants all its staff to feel confident that they can expose wrongdoing without any risk to themselves.

LandScope's recruitment and people management processes are designed to ensure that all prospective employees are legally entitled to work in the UK and to safeguard employees from any abuse or coercion once in our employment.

LandScope does not enter into business with any organisation, in the United Kingdom or abroad, which knowingly supports or is found to be involved in slavery, servitude and forced or compulsory labour. Our supply chains are limited, and we procure goods and services from a restricted range of UK and overseas suppliers.

Due to the nature of our business, LandScope assess itself to have a low risk of Modern Slavery in our business and supply chains.
